Connecting in Christ

Did you ever have an urgent prayer request but the church office is closed? Have you ever wanted to reach out to the congregation for a recommendation about a service as you don't know who's the best person to take care of that leaky faucet? Have you ever had something for sale you think one of your friends in Christ might want to buy? Have you ever needed to borrow a cup of sugar but your go-to person isn't home? Well, we have created a private Facebook group just for this purpose, it is called "Connecting in Christ." Search for this group on Facebook and request to be a member today. The group is open to anyone from Bethel Church and the surrounding community. The more you share the more helpful the group can be to those around you!

Please turn off Wi-Fi on your phones during the church service as it can tend to interfere with the live streaming of our services. Thank you
