Fall Programming

Fall is just around the corner. We are looking for teachers from 3K-high school. If we have enough teachers, rotation could be once or twice a year or every other month. Our new curriculum is called "Answers in Genesis." This is a new curriculum and is highly recommended to help our students be able to defend their faith out in the real world. Please consider teaching and being a part of our children's journey with Jesus. Please contact Geri Buteyn or Renae Lind with any questions.

Volunteers Wanted

We are looking for several individuals willing do children's sermons during the worship service. If you are interested in this awesome opportunity to show Jesus to the children in our congregation, please contact Shelly Hiemstra or any member of the Worship Pillar.
